4 As regards his request for acceptance of the further endowment now offered by him, a brief resume of the endowments made from time to time is given below:-

(i) Rs 12,000 - 1892.

5 In G.O no C-23 d 18 9 1892, Govt accepted a deposit of Rs 12,000, at the favourable rate of 5% interest p.a., made by Polepalli Subbaiya Setty (father-in-law of Mr. Chinnaswami Setty) for the benefit of a Chattram constructed by him near the Bangalore City Rly Stn to feed deserv Caste students and indigent travellers.

(ii) Rs 18000 - 1894.

6 In G O no 333-5 Mug-7 22-92 d 25 9 1894 a further deposit of Rs 18000 was accepted from Meenakshamma, widow of Subbaya Setty at the same rate of interest

In G.O. No. 118-20/Mug 22-92 d. 15 7 1902 Mr Chinnaswami Setty was authorised to draw the interest on the above deposits and expend the amount for the charities.

(iii) Rs 20 000 - 1917

In 1917, Mr. C. Setty offered a further deposit of Rs 20,000 to expand the scope of the charities and improve its usefulness in the cause of spread of higher educatn among poor and deserving Brahmin & Vyśya students. This was accepted by Govt. in G.O. no 2156-60/ Edu 58-17-3 d. 29 8 1917 for a period of 5 years at 5% rate of interest

~~Accepted~~ Mr. Chinnaswami Chetty wanted the rate of interest to be permanently fixed at 5% to ensure stability of income but (in view of the fluctuating rates of interest then prevailing) Govt. declined the request He subsequently raised his deposit from Rs 20,000 to Rs 30,000 and proposed that, if @ interest at 5% could not be given permanently, he might be permitted to purchase ~~Rs~~ 5½ p.c. Mysore State Pro Notes for the amount and deposit the same with Govt., with liberty to re-invest the same on maturity in purchasing similar bonds existing at the time so as to yield the highest rate of interest This alternative was accepted by Govt in G.O. No. 7. 2112-16 d 18 9. 1919.

(iv) 10,000 - 1919

It is thus seen that Rs 30,000 in Cash has been deposited at 5% interest by the parents-in-law of Mr. Chinnaswami Setty and the latter has supplemented the same by another sum of Rs 30,000 invest in Mysore State Pro Notes. His present request is for permission to deposit @ 5½% pro notes of a further value of Rs 6,000 on the same conditions as in 1919. It is usual to accept these deposit at a higher rate of interest, but in this

case even this concession will not be needed as he proposes to deposit loan bonds (with liberty to Govt. to re-invest them in securities on maturity). There appears to be no objection to accept this. [The necessary orders have to issue from the Fin. Secrett. or the Education Branch].

9. As regards the stability of the institution itself, it may be ~~observed~~ noted that the income from the endowments is mostly spent on providing boarding & lodging for students in High Schools & Colleges. In 1919 it was stated that there were 15 Brahmin & 15 Vysya students. ~~In fact~~ The institution is growing ~~and~~ ~~Mr. Chinnaswami Setty has been spoken~~. and the number of students increasing year by year and Mr. Chinnaswami Setty has been offering addl endowments from time to time

25. The original endowment relating to this Institution was accepted in October 1892 in accordance with the General Government Order dated 9th August 1892. That this Institution is of the kind contemplated in Rule 3 of the said Government Order was settled then. I do not think it is now necessary to consider the question whether this Institution comes under the Scheme of Charitable Endowments. The Trustees of the Chairty have agreed to carry out the conditions laid down in the said Government Order. Apart from these facts, the endowment now to be accepted, does not throw any financial liability upon Government. It is in the form of Mysore Government securities and all that the Government undertake to do is to hold the securities and disburse the interest earned on them from time to time to the Trustees who manage the charity. After these securities mature, all that the Trustees have asked us to do is to re-invest the proceeds in some other security and make the resulting income available for the purpose of the Institution. In these circumstances, the offer of Mr. Chinnaswamy Chetty may be accepted. Similar endowments, supplementary to the original endowment accepted on 1892, have been accepted in the past.

26. I have fully noted on this case in file no 33 of 1925 on 17. Dec^{r} 1925.

27. The position taken up by Mr Chinnaswamy Chetty to the effect that he is not legally bound to keep accounts in re charities is not tenable I have shown that he has constituted himself Trustee & as such he is responsible for the proper management of the charities.

28. From the letter of the donor in Sep^{r} 1892 (file no 22 of 1892), it is clear that he has dedicated the Chattram to the public & has made an original grant of Rs 12000 for feeding poor boys.

29. Subsequently his widow & her daughter augmented the original grant.

30. From the correspondence in 1925 it is manifest that Mr C. Chetty has unsuccessfully been agitating that he is not bound to maintain accounts & that the Govt have no power to insist upon his maintaining accounts.

31. In July 1926, a G.O. was passed after Mr C. Chetty had undertaken to keep accounts

32. An opportunity may now be taken to take a document from him as laid down in para IV of art 209 of Mysore Civil Rules Code regarding the acceptance of deposits by members.

33. I agree with the opinion of the Ld Secy. Any person may

D e w a n o f M y s o r e ,

B a n g a l o r e .

Sir,

I beg leave to place before you the following few lines in connection with the Polepalli Subba Setty's Charities and trust that the matter will receive your sympathetic support.

With a view to give permanance to the Charities, my father-in-law the late Polepalli Subbiah Setty, the founder of the Choultry near the City Railway Station, deposited a sum of Rs.12,000 with the Government on the 17th October 1892. His widow, the late Meenakshamma, made a further deposit of Rs.18,000 on the 23rd October 1894, making a total amount of Rs.30,000. The Government of His Highness the Maharaja of Mysore were pleased to allow 5 per cent interest on both these endowments.

When these endowments were made, provision was made to feed a few homeless deserving students in addition to maintaining the necessary establishment. The Charities gradually grew and the number of students (Brahmins, Vaisyas, and Non-Brahmins) increased from year to year. As the interest received on the endowment of Rs.30,000 was inadequate, I deposited with Government a further sum of Rs.30,000 in the shape of 5 per cent Mysore State new Promisory Notes under Govt. Order No.F.1.2112-16/C.F.41-19-[illegible]

the 18th September 1919.

I now approach you and request you to kindly permit me to deposit with the Comptroller 5½ per cent Mysore State new Promissory Notes of the value of Rs. 6,000 as a further endowment, under the same conditions, as laid down in the Govt. Order No. F.1.2112-16/ G.F. 41-19-3 dated the 18th September 1919.

Hoping that this request will meet with your kind and hearty approval and trusting that the Government will be pleased to issue early orders in the matter.

I beg to remain,
S i r ,
Your most obedient and humble servant,

B Shivaswami

Dewan of Mysore,

Bangalore.

Sir,

I beg leave to place before you the following memorial in connection with the further investment for the Polepalli Subba Setty's Charities, and trust that the matter will receive your kind and very early personal attention.

Mr 14.5.27

Muz 287-26-1

I presented an application on the 5th November 1926, a copy of which is herein enclosed for your kind perusal, requesting the Government to permit me to deposit with the Comptroller 5½% Mysore State New Promissory Notes of the value of Rs. 6,000/- as a further endowment, on the conditions already laid down in the Govt. Order No. F.L. 2112-16/G.F. 41-19-3 dated the 18th September 1919 in connection with the deposit of Rs. 30,000/- made by me on a previous occasion. In this connection I regret very much to bring to your notice that although more than six months have elapsed no orders have been issued in the matter. I do not know why the Government should hesitate so much to accept these bonds when there is absolutely no obligation of any kind on their part except to keep the bonds in safe custody with the Comptroller.

F Secy. M/S. Muz. Immediate. please 16/8/27

Further, I beg to point out that I am not asking for any special concession from the Government in the way of higher rate of interest on the

deposit or a decent annual Grant for the Charitable Institution. My request is just to permit me to deposit with the Comptroller the bonds which I have already purchased. I am unable to understand why the Government should be delayed in issuing orders when it does not involve any special collection of extra expenditure on Government.

As the duration of human life is quite uncertain, and as I want to complete this charitable act very early, I once again request you to kindly permit me at a very early date to deposit with the Comptroller the old Mysore State Loan Bonds of the value of Rs. 6,000/- as a further endowment, and enable me to fulfil my humble desire.

I beg to remain,
S i r ,
Your most obedient and humble servant.

S i r ,

I beg leave to place before you the following few lines in connection with the Polepalli Subba Setty's Charities and trust that the matter will receive your sympathetic support.

With a view to give permanence to the Charities, my father-in-law the late Polepalli Subbiah Setty, the founder of the Choultry near the City Railway Station, deposited a sum of Rs. 12,000/- with the Government on the 17th October 1892. His widow, the late Meenakshamma, made a further investment of Rs. 18,000/- on the 23rd October 1894, making a total endowment of Rs. 30,000/-. The Government of His Highness the Maharaja of Mysore were pleased to allow 5 per cent interest on both these endowments.

When these endowments were made, provision was made to feed a few homeless deserving students in addition to maintaining the necessary establishment. The Charities gradually grew and the number of students (Brahmins Vysyas, and Non-Brahmins) increased from year to year. As the interest received on the endowment of Rs. 30,000/- was inadequate, I deposited with the Government a further sum of Rs. 30,000/- in the shape of 5½ per cent Mysore State new Promisory Notes under Govt. Order No.F.1.2112-10-C.F.1-9-9 dated the 18th September 1919.
